# FY 2022 Patents revenue

*Patents revenue is trending slightly below the current plan but above the appropriated level*

The current plan is based on an updated FY 2022 working estimate refreshed in June 2022.

# FY 2022 Patents funding – current status

*Patents business line is projected to spend below revenue collections.*

\*YTD spending includes commitments and obligations.

# FY 2022 Patents operating reserve (OR)

*The balance is healthy and trending upward*

# FY 2023 status

- An appropriation has not been enacted for FY 2023. A short term continuing resolution is likely.
- Both the House and Senate Commerce, Justice, Science and Related Agencies (CJS) subcommittees marked the USPTO's FY 2023 budget at \$4.253B. This is the agency's requested level.

# Thank you!
