D. CHANGES TO THE DEFINITIONS

- 681, through 681.3, for vertical frame or support, uniform in cross-section, including wire, tubular, or rectangular.
- 682, for freestanding towel support.
- 700, for lectern, podium, or reading stand.

Definitions Established:**640 Freestanding telephone booth with side privacy screens:**

This subclass is indented under subclass 329. Design for a telephone booth with side or rear panels for privacy.

SEE OR SEARCH THIS CLASS, SUBCLASS:

- 553, through 574, for telephone booths that are wall mountable.

SEE OR SEARCH CLASS:

- D25, Building Units and Construction Elements, subclass 16 for telephone booth that encloses the occupant.

641 Computer or office workstation, table, desk, drafting table, or school desk:

This subclass is indented under subclass 329. Design for a work surface, table or desk that is primarily used by a seated user, for office and computer equipment use, i.e., kneehole desks, workstations with storage for office supplies, workstations, or desks with keyboard pullout trays, drafting tables, and school desks.

- (1) Note. This subclass includes only those designs that are for use as an office, clerical, or computer workstation support.

SEE OR SEARCH THIS CLASS, SUBCLASS:

- 685, through 697.2, for tables for patio, dining, cocktail, etc., which are not intended for use in an office or as a computer support.

SEE OR SEARCH CLASS:

- D3, Travel Goods and Personal Belongings, subclasses 20+ for carrier for sewing supplies; 273+ for tool storage container; and subclasses 277 and 304+ for basket or open bin.
- D12, Transportation, subclasses 425 and 426.1 for vehicle-specific desks and trays.
- D14, Recording, Communication or Information Retrieval Equipment, subclasses 447 and 451+ for computer stands and monitor and peripheral supports that are not furniture, but used to support the computer equipment.
- D19, Office Supplies; Artists and Teachers Materials, subclass 52 for drawing board or writing surface or artists'-type easel.
