## United States Patent and Trademark Office

**Reg. No. 5,221,094**

**Registered Jun. 13, 2017**

**Corrected Apr. 23, 2024**

**Int. Cl.: 9, 42, 45**

**Service Mark**

**Trademark**

**Principal Register**

NextgenID, Inc. (DELAWARE CORPORATION)

Suite 305

10300 Eaton Place

Fairfax, VIRGINIA 22030

CLASS 9: Security and access and exit control devices for internal facilities and buildings, namely, electronically operated reader pads for biometric recognition, and motion sensitive security arrays; Computer software for use in monitoring and operating security systems and access and exit control devices in internal facilities and buildings; Computer software, hardware, and peripherals for biometric recognition and analysis; Computer software to control computer hardware for the secure capture of personal identity information; Computer hardware for use in the field of biometric identification and video surveillance; Computer software for use in the field of biometric identification and video surveillance; biometric access control systems; Access control systems for fingerprint, iris, and facial biometrics, PIN, contact and contactless card access; Electric and electronic video surveillance installations; Computer hardware; Biometric-based surveillance and watch list matching system composed of cameras, lights and distributed servers for multiple input type image capture and the software for face finding, landmark detection and analysis, tracking, facial biometric recognition, match adjudication, central system monitoring and update, watch list management and health monitoring; Computer hardware for biometric analysis, enrollment and identity; Computer software for controlling biometric identity hardware for use in the field of security and biometric identity; Building security systems comprising software and hardware for providing picture, video, alarm status, building plans, and other information to a remote station; Facilities management software, namely, software to control building environment, access and security systems; Iris recognition security devices; LCD monitors for security purposes

FIRST USE 00-00-2002; IN COMMERCE 00-00-2002

CLASS 42: Providing a website featuring technology enabling users to remotely view, monitor, program, operate and control large and small appliances, electrical systems and security systems in homes, offices and vehicles; Research in the field of intelligence and

security technology

FIRST USE 00-00-2002; IN COMMERCE 00-00-2002

CLASS 45: Computerized security services, namely, electronically monitoring, detecting and reporting on suspicious and abnormal patterns of point of sale activity indicating theft, fraud, or other criminal activity; Consulting services in the field of homeland security; Control of building environmental access and security systems; Monitoring of security systems; Monitoring of security systems used in electronic tracking for use in connection with homeland security; Providing information in the field of building security via the internet; Rental of security surveillance equipment; Security consultancy; Security services, namely, providing security assessments for businesses and governmental agencies; Verifying and monitoring credentials of individuals to allow third parties to ascertain identity to ensure public safety; verifying and monitoring credentials of individuals to allow access to venues, events, machines, computers, and devices to ensure public safety; video monitoring of facilities, viewable through a global computer network, for security purposes

FIRST USE 00-00-2002; IN COMMERCE 00-00-2002

The mark consists of a stylized letter "N" formed from the placement of six triangles.

SER. NO. 86-981,677, FILED 02-23-2015

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
