

# SKILLBRIDGE OPPORTUNITY PROGRAM INTEREST FORM

Thank you for your interest in the SkillBridge Internship at the United States Patent and Trademark Office (USPTO). Please read this introduction summary carefully and complete the short interest form below.

Our Veteran Hiring Program is recognized for attracting and employing exceptional talent from U.S. military service members.

All of our SkillBridge internships are intended to give highly-skilled Veterans an opportunity to learn about various career opportunities, network with current employees, and hear first-hand from agency leadership about their own career paths.

Candidates should express their interest in internship opportunities at the USPTO approximately four (4) months prior to their SkillBridge availability. Our selection process can generally take between three weeks to two months, so there's no need to start your process more than four months in advance of our decision timelines.

At the appropriate time, complete and submit this form along with your resume to: [SkillBridge.Opportunity@uspto.gov](mailto:SkillBridge.Opportunity@uspto.gov).

We thank you for your service, and for exploring our agency as your post-military career option. We are honored to be a top pick for so many former Service members.
